COL. W. J. BRYAN says that the recent election is but a "continuance of the case" as far as free silver is concerned, but it is very evident that continuance is at the cost of the Bryanites.

The president's coming message will be remarkable for the new subjects that it will handle and for the absence of the old problems that have been settled forever by the last two elections.

If the recent election had been a presidential contest, the republicans would have had a bigger majority in the electoral college than in 1896. As things are now moving the country expects to make it unanimous in 1900.

THE Owensboro Messenger rejoices because Bryan has served notice on the plutocrats that he will meet them in 1900, which goes to show how very little it takes to comfort a free silver paper in these days of 16 to 1 dependency.

THE iron must penetrate the soul of that Bracken county Goebel election board that lost the election of a democratic congressman in the Ninth district because of a paltry ten votes. It is evident that Goebel must instruct his henchmen in the fundamental principle of counting.

THE story is on the rounds that Governor Bradley and the Hunterites have kissed and made up and that Geo. Todd will be in charge of the republican side of the next state campaign; these pleasant rumors are evidences, as are alleged to be, of common republican harmony. It will be somewhat difficult for the average rural republican to conceive of harmony built on the above basis.

THERE is a limit to the patience of even so patient a man as President McKinley, and the Spanish government has about reached it. Appreciating the position of Spain, President McKinley has been disposed to allow the Spanish peace commissioners a reasonable time to accept our demand for the Philippine Islands, but when they made their second answer, just submitted to our commissioners, merely an elaboration of their first answer, which they were informed was not an answer at all, they forfeited their claims for any further consideration at the hands of this government. They are too plainly endeavoring to kill time, in the hope that something may turn up that will help them. Our commissioners have been instructed to inform the Spanish commissioners that the negotiations must be brought to a close at once, either by the completion of the treaty of peace, upon our terms, or a refusal of our demand for the Philippines. This country is prepared for either termination of the negotiations, but Spain will be very unwise if it provokes us into more fighting; it will simply mean the loss of more Spanish territory.

PRESENTED A PISTOL.

Max Woods Arrested This Afternoon By Watchman Matlock.

Max Woods, of the Sixteenth regulars, in camp at Huntsville, Ala., was arrested this afternoon in "Tin Can Alley" by Special Officer Matlock, of the Illinois Central.

Ruth McElroy swore out a warrant against him this morning charging him with pointing a pistol at her. She claims he asked her where a certain woman he was infatuated with was, and she refused to tell him, whereupon he pointed the pistol at her.

Woods claims he had no pistol. He is here on a ten days' pass, and in default of a \$50 bond went to the lockup this afternoon.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used except on prescriptions from reputable physicians, as the danger they do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine, it is in a bottle, and is made in Toledo, Ohio, by F. J. Cheney & Co., testimonials free. Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.

Druggists will say they sell more Plantation Chili Cure than all others.

SOCIETY NOTES.

JOY.

(This outer world we tread on) as a harp—
A gracious instrument on whose fair strings
We learn those airs we shall be set to play
When mortal hours are ended. Let the wings,
Man, of thy spirit move on it as wind,
And draw forth melody. Why shouldst thou yet
Lie groveling? More is won than ere was lost.
Inherit. Let thy day be to thy night
A teller of good tidings. Let thy praise
Go up as birds go up that, when they shake
Shake off the dew and soar.

So take joy home,
And make a place in thy heart for her,
And give her time to grow, and cherish her,
Then will she come, and oft will sing to thee,
When thou art working in the furrows of day,
Or wedding in the sacred hour of dawn.
It is a comely fashion to be glad—
Joy is the grace we say to God.
—Jean Ingelow.

Mr. and Mrs. E. M. Post, of New York, gave a delightful bowling party this morning at the Pastime alley. Among those present were: Mr. and Mrs. E. M. Post, Mesdames Thos. C. Leech and Cook Husbands and Misses Martha, Leech, Jessie Nash, Emma Reed, Mattie Fowler, Mattie Davis and Mary Mathews, of New Orleans.

The Thursday afternoon club was most pleasantly entertained by Mrs. T. C. Leech at the Palmer Thursday afternoon. The rooms were lighted by hanging Chinese lanterns and were tastefully decorated with Japanese and Chinese decorations, and presented a very pretty sight. Each of the guests was presented with a souvenir, a dainty Chinese picture. Mrs. L. W. Boswell won the club prize and Mrs. Mary Boswell the visitor's prize. Mrs. Walter Johnson won the lone hand prize and Miss Clara Thompson the booby. The prizes were handsome Japanese ornaments.

Miss May Terrell will entertain the young ladies' Cinche club next Wednesday afternoon.

The Ramsey society held a reception Friday afternoon at the residence of Mrs. Armour Gardner in honor of the visiting ladies attending the Methodist conference. Mrs. H. F. Lyon welcomed the visitors and presented them to the guests in turn.

Miss May Matthews, a charming young lady of New Orleans, arrived in the city yesterday on a visit to Mrs. Chas. McQuon on West Broadway.

Mrs. H. G. Tandy entertained the young ladies' Cinche club Wednesday afternoon at euchre. Mrs. J. E. English won the club prize. The visitors' prize was won by Mrs. Woods, of Baton Rouge, La.

Mrs. Smith Fields and Miss Thompson, a handsome young lady of Fulton, were in the city this week shopping and attending the conference meetings.

Miss Mary Halloran has returned from a visit to her brother, Mr. Will Halloran, in Evansville.

Mrs. Geo. A. Flournoy entertains next Tuesday afternoon with a 5 o'clock tea in honor of Miss May Matthews, of New Orleans.

Miss Lizzie Slinnot will return next Tuesday from a visit to Miss Luckett of Clarksville, Tenn. Miss Slinnot has been the recipient of much social attention during her visit to that charming Tennessee town.

"Are you engaged?" asked the darling chap.
And she blushed a furious blush,
And stared right down into her lap
With a telling royal flush.
"Are you engaged?" he inquired again
And that girl wore a look of glee,
For she said with a smile that gave him pain,
"Ah, no, but I'd like to be."
—Louisville Times.

The marriage of Mr. Milas Clark to Miss Katie Smith will take place at the St. Francis De Sales church next Wednesday morning. Both are well known, the groom-to-be being employed at the Illinois Central shops, the bride being employed at the Racket store.

According to reliable reports, a well known wholesale merchant of the city and a widow of Dresden, Tenn., are shortly to be married. The date of the wedding has not been made public.

Another wedding that is talked of is that of a well known and popular young lady of Illinois, who resides in the young man's former home. The marriage will be solemnized next month, but the exact date has not been set.

TO KEEP OUT YELLOW FEVER.

Memphis, Tenn., Nov. 19.—The national quarantine convention assembled here with 125 delegates present and others arriving with each incoming train. The subject with which the convention is to deal is "How to provide an efficient quarantine to protect the states from invasion of infectious and contagious diseases." Gen. Luke E. Wright, of Tennessee was named as permanent chairman.

Washington, D. C., Nov. 19.—The yellow fever problem has been receiving earnest attention of late from the authorities here, owing to the important new relations established with Cuba and other fever localities to the south of us. Already the marine hospital service has begun its work of establishing a cordon of quarantine around Cuba. A large floating disinfecting plant is in operation in Havana harbor, and a similar floating disinfecting plant is at Santiago, although not yet in operation. These are to take charge of the shipping coming to American ports and put it through such thorough disinfection that all fever germs will be removed. Similar floating plants will be established at all other large commercial points.

TO BE EXCLUDED.

Washington, D. C., Nov. 19.—This government will decline to accede to the request made by the Swiss minister for a removal of the restrictions imposed by law on the importation of cattle from Switzerland, owing to the prevalence in eleven cantons of the Swiss Republic of foot and mouth diseases which in the opinion of the agriculture department officials, endanger all the livestock products of the country. The Swiss minister called on Secretary Wilson yesterday for the purpose of ascertaining if something might not be done of a remedial nature, but the law is mandatory, and the secretary will be obliged to decline the minister's request.

There Were Three Fines For Drunkenness—Other Police Court News.

Ruth Minor, the boy charged with rubbing a rag saturated with carbolic acid on the face of Lockup Keeper Menifee's little son, was this morning fined \$20 and costs in the police court.

Judge Sanders stated that he predicted that Minor would never reach the age of 21 without getting in the penitentiary, being hung, or killed. He now has a brother in the penitentiary, and although young, there seems little hope for his reformation.

Chas. Casey is the name of a former clown in Clark's circus, which was here not long since. He got left here, and was employed to take part in the T. P. A. minstrel last night. COMMITTEE MEETING
The Finance Committee Meets a Committee From the School Board.

Matter Referred to the City Attorney—Other News of the Meeting.

The finance committee of the council consisting of Chairman Fowler and Councilmen Ezell and Winstead, met the school board committee composed of Trustees Terrell and Rose, in the school board chamber last night, to take up the matter of giving the board the same quota of the franchise tax that it gets of other taxes. This has been refused it, because the mayor construes the law to mean that the board shall get no part of franchise taxes. The board wants its share, and appointed a committee to confer with the council, and at the last meeting the finance committee was instructed to meet with the school board and adjust the matter. This meeting took place last night. After a discussion the finance committee of the council agreed to refer to the city attorney, and gave the school board committee to understand that the finance committee desired to do what was legal, and would abide by the advice of the attorney, whatever that may be. The attorney, it is alleged, said sometime ago that the mayor's construction of the law was correct, in his opinion, and this being the case, will doubtless decide that the council has no right to allow the school board any part of the franchise tax. He will make his report to the council.

Mr. G. W. Olmsted, of Chicago, representing some of the holders of "over the river bonds," was present to consult with the committee, but was referred to Chairman Fowler, of the finance committee, who made an appointment to meet him this morning at 10 o'clock.

SPAIN FEARS A CIVIL WAR.
Madrid, Nov. 19.—The disaffection with which for a long time Catalonia has been honeycombed has spread to the west into Aragon and to the south into Valencia, and in all three of the provinces the federalist movement is gaining ground to an extent that causes the government grave apprehension. Premier Sagasta knows not whether to expect a Carlist uprising, confined to the districts in which the agents of the Bourbon pretender have been operating, or a civil war that will prove the death of the monarchy. The situation at home conspires with the unpromising outlook for the preservation of the Philippines or the exaction of a considerable indemnity, to depress all his majesty's ministers.

"Every one here is discouraged," said a former minister of war today. "We at last must face the fact. We are absolutely without hope of saving the Philippines. As a Spaniard, however, I am glad we have lost the colonies. If we retain these islands, we shall be driven out by the islanders, for we cannot carry on a war so far away, confronted, too, by all the difficulties peculiar to the country."

WANDERER RETURNS.
Jesse Cox Went South on a Pleasure Trip.

Jesse Cox, the young man employed at the Cordage factory, and who disappeared several days ago, came home last night, much to the delight of his mother. He said he went to Memphis.

When he left he told no one where he was going, and for this reason greatly alarmed his people.

TO LOCATE A BREWERY.
Mr. L. W. Johnson Here From St. Louis Looking Over the City.

Mr. L. W. Johnson, a prominent saloon man from St. Louis, is here to look over the situation with a view to establishing a brewery here. He was here some time ago, but could get little encouragement, and returned to St. Louis without accomplishing anything.

Since then, he has received communications from the Commercial club, and this morning arrived to ascertain what can be done.

WELL ATTENDED.
The T. P. A. Minstrels Were Well Patronized and Gave Satisfaction Last Night.

The T. P. A. minstrels at Morton's opera house last night were well attended by a large and enthusiastic crowd. The talent was mostly local, and the audience greatly enjoyed the various features. The performance went off exceptionally well considering everything, and the cake walk was duly enjoyed.

The cake was not awarded to anyone, but was donated to the Home of the Friendless.

NEW STATION AT HENNING.
Last night a night office was opened up at Henning, Tenn., and is in charge of a competent operator. The Illinois Central is making many improvements on its road, and opens night offices wherever necessary.

ANOTHER COMPROMISE.
Roberts & Co. Do Not Want to Contest the Bond Controversy in the Courts.

They Have Now Offered to Compromise for \$750—To Be Referred to the Council.

Roberts & Co., the New York bond brokers, have agreed to compromise with the city for \$750. A letter has been received from Mr. Coffin, who came here to represent them, to this effect, and will be submitted to the council Monday night. Bloomfield & Co., the firm's lawyers, have been authorized to accept this amount. The first offer Roberts & Co. made was for \$1,500 which was rejected.

The letter received today states that the firm desires to adjust the matter amicably, and for this reason, reduces its original demand.

It is not known what probable action the council will take, but it may allow the amount asked, as it agreed to pay, through its finance committee, \$750 to Roberts & Co., as a settlement.

At "The J. H. Greif Shop," 319 Court street, were shown by J. V. Greif, superintendent, a very fine grocery express wagon built for Messrs. Noble, Overly & Co. The building of these high grade wagons, such as are being turned out at this shop, is a credit to the city. There is also just being completed a furniture wagon for Cairo, Ill., which is a fine piece of workmanship. With the facilities and mechanism displayed at "The J. H. Greif Shop," no one should think of sending elsewhere for a vehicle. J. V. Greif, who has charge of "The J. H. Greif Shop," has had many years experience in the business and proposes to turn out nothing but first-class work. Our citizens should see to it that he is kept busy. You can only build your city by patronizing home industries.

THEY BOUGHT BONDS.
In a Short Time They Will Be Sorry They Did Buy Them.

Mayor Lang is in receipt of a letter from H. H. Smith & Co., of the Middleton, Conn. Savings Bank, asking if the Chicago, Paducah and St. Louis bonds had been sold, and would be called in Dec. 1.

The letter states they understood that the bonds would be called in about that date, and they desire information. The letter further states that the firm bought \$97,000 worth of the bonds in 1897, from Farron, Leach & Co.

DELEGATES APPOINTED.
The following delegates have been appointed by the Commercial and Manufacturers' association to the annual convention of the Tennessee River Improvement association, which meets in Chattanooga, Tenn., the 23d of this month: S. A. Fowler, Capt. Ed. Farley, J. P. Smith, C. C. Leigh, J. H. Ashcraft, C. C. Covington, M. V. Johnson, J. W. Clements, Jas. Wilhelm, M. Livingston, Capt. J. A. Koger, J. A. Rudy, J. S. Johnson.

HE GOT SOBER.
Last night George Eaton, a stone cutter, applied at the lockup for admission. He said he was drunk and nearly all his clothing, and was in his shirt sleeves. Chief Hoyer locked him up and this morning he was sober and was discharged. He is a tramp, and has been here several weeks.

INVITATION TO CONVENTION.
Mayor Lang this morning received an invitation to attend the Sixth National conference of the Municipal league, which meets at Indianapolis on the 30th of November and the 1st and 2nd of December, in the interest on good city government. The mayor will probably be unable to attend.

ESTRAY NOTICE.
A black horse, 15 hands high, 5 years old, with fore-top clipped; branded "L" on left shoulder; has saddle and collar marks. Ten dollars reward will be paid for his return to Dr. C. A. Labell, 723 South Sixth street, Paducah, Ky. n17-1m

REDUCED RATE TO MEMPHIS.
On account of the National Quarantine convention at Memphis, Tenn., the Illinois Central Railroad company will sell tickets to Memphis and return at one fare, good going Nov. 15th and 16th and morning train of Nov. 17th and returning until Nov. 21st. J. T. DONOHAN, Agt.

WILL PREACH AT MAYFIELD.
Rev. Lloyd Wilson, of Paducah, has promised to preach at the Baptist church Sunday at Mayfield in the absence of Rev. Roberts, who is engaged in a meeting in Hardin county.

VALUABLE HORSES ESCAPE.
Among the horses on the train wrecked near Hall's Station, Tenn., yesterday were: Buckwelder, Jim Poole, K. Kicallie, Jim Sellers, Rich Creek, Joe Hart, Plauditt, and all of Schott & Son's fine horses.

The animals valued at thousands of dollars, were in a car next to the ones turned over, but fortunately none were injured. They were en route from Chicago to New Orleans.

Disappeared.
Benton Farmer Missing—Left Home Monday and Heard From No More.

Came To Paducah and Bought a Ticket For Illinois—Family Are Alarmed.

Charles Bean, a well known farmer and cattle man of Marshall county, who lives near Benton, disappeared from home last Monday, and has not been heard from since. He came to Paducah on Monday ostensibly to dispose of some cattle, and while here bought a ticket for some point in Illinois.

He has a wife and two children, but so far as is known he had no trouble with them, and the occasion for his departure are unknown, unless he was demented.

HORSE THIEF CAUGHT.
Cairo Chief of Police Caught the Thief Through a Telephone Message.

Chief of Police Pat Mahoney and liverman Fitzgerald of Cairo, were in the city last night in search of a horse thief, says yesterday's Fulton Leader.

They went at once to the long distance telephone office and telephoned Dresden, McKenzie, Paris, Huntington, Hollow Rock, Johnsonville and Camden to arrest and hold the thief, horse and buggy if found. They also stated that they would pay a reward of twenty-five dollars for the capture of the thief.

In about thirty minutes after telephoning Camden, the sheriff reported back that he had arrested the man, and had the horse and buggy.

An unknown man of good appearance applied at the livery stable of Fitzgerald in Cairo last Monday just a few minutes before 10 o'clock, and hired from Fitzgerald a splendid mare and new buggy. The man said he was a cattle dealer and was going into the country north of Cairo to buy some cows. But instead he drove to the ferry boat landing and crossed the river into Kentucky. He stayed at Bardwell Monday night and last night he turned up at Camden and was captured.

Mr. Fitzgerald left here last night for Camden to get his horse and buggy.

The above case shows the folly of any one trying to escape from justice in this day of telephone service.

OFFICER F. HARLAN.
He Was 60 Years Old Yesterday. Has Been a Policeman Half His Life.

Is Now One of the Best and Most Active Officers to Be Found Anywhere.

Yesterday Officer Frank Harlan was 60 years old. He looks like a young man, and acts like one, despite the fact that he has been on the police force of Paducah for thirty years, and a few months. During this time he has had every experience imaginable, and has made himself one of the most popular officers in the city. He is greatly feared by the criminal, and there is no one in Kentucky, it is safe to venture, who has learned more of criminology than Officer Harlan.

Marshal Collins this morning was telling a joke on the officer, which occurred many years ago. He was sent down on what was then "Hell's Half Acre" to make an arrest, "dead or alive." The officer went after the man, but unfortunately did not get the right one. He thought he had the culprit, but when the man ran, shot him. He soon learned that he had made a mistake, and informed Marshal Collins that the latter had caught him to shoot the wrong man, as he had no warrant for the one he shot. He finally got out of his difficulty, and has since never been known to shoot unless he was certain he was after the right man.

Officer Harlan is indispensable, and will doubtless be appointed on the force as usual, next month when Mayor Lang makes his regular appointments.

ILL OF PNEUMONIA.
Col. George Detzel, his many friends will be sorry to learn, is suffering from an attack of pneumonia. He has been ill for several days.

A GREAT WAR-SHIP.
Portsmouth, England, Nov. 19.—Thousands of people yesterday witnessed the launch of the ram battleship Formidable at the dock yards here. She is said to be the largest war-ship in the world, being of 16,000 tons displacement. She is 400 feet long, has 75 feet beam and draws 30 feet 9 inches of water. She cost over £1,000,000, and is estimated to steam 18 knots. The chancellor of the exchequer, Sir Michael Hicks-Beach, the first lord of the admiralty, Mr. Goschen, and Admiral Sir Michael Culme Seymour were among those present.

A notable feature of the launch of the battleship was the entwining of the British and American flags on the official stand.

IDA THOMPSON, Pres.

In commenting upon the situation at Wilmington, N. C., E. P. Bell in the Chicago Record says:

"Some of the correspondents who visited Wilmington during the recent period of tension and danger fell in with the popular current and were carried away from all recognition of any claims the negroes may have upon the respect of mankind. One of these writers went so far as to say the negroes own no homes worthy of the name and no church or lodge property. This is quite untrue. The church and lodge property of the negroes in this city is valued at \$80,000 and many of them own homes that are attractive and comfortable. St. Stephen's African Methodist Episcopal church, located in the First ward, was built by colored men and women at a cost of \$25,000 and is wholly paid for. It contains a \$2,800 pipe organ and is a beautiful place of worship. There are nine other churches in the city—four Methodist, three Baptist, one Episcopal and one Presbyterian—that were built almost entirely by colored people, and they compare favorably with some of the churches of the white people. The negroes also have a Congregational church, but it was presented to them by a philanthropist of the north. They own four lodge buildings—Masonic, Odd Fellows and Samaritans—two of which are brick and all of which are modern and commodious. The whites claim the negroes pay less than 5 per cent, while the blacks claim they pay at least 7 per cent, of the taxes. The latter also say that the amount of taxes they pay comes out of the pockets of the 10 per cent. of their population that is educated, moral and thrifty. The total valuation of negro property in the city is \$400,000. The white men say the negroes will not pay poll tax—that is \$6.50 a year here—and the negroes reply: "In this respect we are like the whites. Those of us pay poll tax who cannot dodge it."

MASONIC.

The Masons are preparing to give a formal reception to Grand Master J. E. Wilhelm and the other grand lodge officers on Thursday evening, Dec. 8th. A number of the grand lodge officers are expected to be present, and invitations will be sent to all the neighboring lodges. Rev. Penrod and Rev. Carpenter will deliver addresses, a nice musical program will be prepared and an elegant luncheon served. A big time is expected.

EASTERN STAR.

A number of Masons are interesting themselves in the establishment of a chapter of the Eastern star, a ladies' auxiliary of Masonry. Something like forty names have been secured for the charter list, which will be sent off in a few days and the charter secured. All mothers, daughters and sisters of Masons are eligible to membership.

THE HOOTERS.

Some of the Owls are figuring on a meeting some time in the near future. The owls suspended meetings about a year ago, because of a lack of available material, but during this time a number of youngsters have developed into birds of mature age, and are anxious to be inoculated.
